

The partner entities in an Online meeting, for the third transnational meeting of the ICE-CAP: Waste Not Want Not, an Erasmus+ Strategic Partnerships for adult education project.

Participants of all the partner entities attended a virtual meeting on 27th of August 2020, due to Covid-19 situation the meeting was carried out online. However, representatives of all the partner entities from The United Kingdom, Portugal, Ireland, Spain, Finland, Croatia and Switzerland participated on this successful meeting.

In this work session the participants had the opportunity to update the current status of the project. They shared the latest news from the UK National Agency and reviewed the materials developed during this period of time. Each partner gave a short presentation of one of the Digital Breakouts or Web-quests they had created.

Besides that, the participants overviewed the Intellectual Outputs including the Online Portal and other aspects of the project, such as the Project Branding, the Project Valorisation Plan, Quality Assurance, as well as the Project Impact Assessment.

Finally they discussed and agreed on the next steps of the project and the work distribution for the following months.
