One Billion Rising

KA204 WOMAN:
WORKING ON MASTERING ADULT
NONVIOLENCE

One Billion Rising

is the biggest mass action to end violence against women (cisgender, transgender, and those who hold fluid identities that are subject to gender-based violence) in human history.

The campaign, launched on **Valentine's Day 2012**, began as a call to action based on the staggering statistic that 1 in 3 women on the planet will be beaten or raped during her lifetime.

SILENCE
IS
VIOLENCE

...With the world population at 7 billion,
this adds up to more than ONE BILLION
WOMEN AND GIRLS.

One Billion Rising

This year the theme is... **RISING GARDENS**, as the destruction and eradication of The Planet has been parallel to the ongoing and escalating gender-based violence.

We cannot keep the ongoing extraction of women's labour and earth's produce, with no gratitude to both.

We must honor and protect the Earth and women in order for ANY future life to exist.
